

Get Your **DEX** in a row

1. TEI/DEX SUPPORT SESSIONS

One on one, group or team support sessions across NSW. Complete our TEI Support Session so we can assess your gaps and needs. Sessions are free to TEI.

2. DEX IN A ROW SECTOR CONVERSATIONS

Fortnightly drop-in online sector conversation series. Hear the latest info on TEI/DEX, tell us how you are going, and ask us your DEXiest questions. Register today!

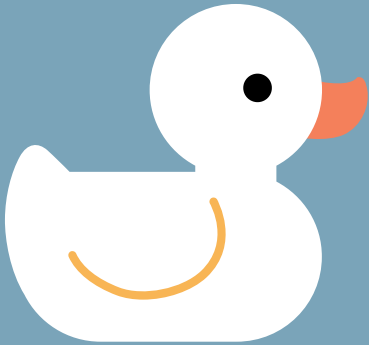

3. WEEKLY WRAP

To stay in the loop of the sector and the work Fams is involved we also invite you sign up to our Weekly Wrap to stay informed.

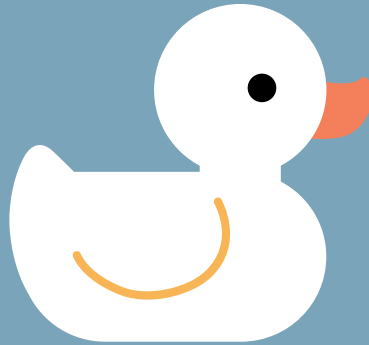

4. TRAINING & PRESENTATIONS

We also workshops, training and presentations thought out the year to interagencies, forums and conferences. Send us an enquiry for info.

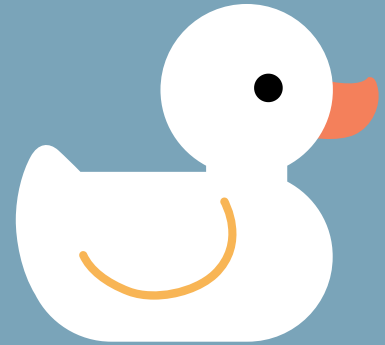

How **Fams** support's the sector

LOGIC

DATA

EVIDENCE

Fams could work with you and your organisation:

- Aligning contract deliverables with reporting in DEX
- Improving your DEX data quality
- Developing measurement tools and resources for programs
- Accessing and understanding DEX Reports
- Navigating the DCJ Evidence Portal
- Updating or developing your Program Logics
- Utilising evidence in program development and implementation
- Analysing, reporting and presenting individual organisations' data
- Identifying trends, advocating to mitigate impacts
